Miss Beulah Caldwell entertained at two tables of "500" Saturday evening, in honor of her guest, Miss Eva Norcross, of Central Point, the guests of the evening being friends of the honor guest. A delicious repast brought the pleasant evening to a close. Those in attendance were Misses Ora Patrick, Mae Beaver, Gusie Updegraff, Olive Poland, Victoria Tavener and Bertha Ellason.

Miss Hazel Burns, who leaves soon for San Francisco, where she will make her home, was given a farewell surprise by a number of friends, Friday night. The rooms of her home on Fourth street rang with laughter as games of various sorts were indulged in until 11:30. A delicious repast was served during the evening. Those present were Mrs. Crowson, Misses Celia Osterdahl, Ebba Osterdahl, Florence Erickson, Pearl Kenyon, Grace Kenyon, Veda Brower, Mina Brower, Thelma Throne and Fern Murphy; Messrs. Sheldon, Victor Osterdahl, Harley Brower and Robert Burns.

Mrs. Adelaide E. Stephens entertained the Thimble Club of Trinity church at her home on Allison street, last Thursday afternoon. After a social hour the meeting was called to order by the most efficient president, Mrs. H. S. Sanford. The principal business of the meeting was the planning of a food sale which is to be held on Saturday, July 6, at the Ideal grocery store. Through the courtesy of Mr. Naininger space was given in his store. After the close of the business meeting the hostess served her guests with strawberry jelly, whipped cream and strawberries, chocolate cake, nut wafers and lemon punch. Those in attendance were Rev. and Mrs. William Lucas, Mrs. H. S. Sanford, Miss Watson, Messdames Hill, Watkins, Coffee, Richards, Ruger, Hedberg, Nelson, Watkins, Barges, Cambers and Parish.

Chautauqua W. C. T. U. Meetings.
The W. C. T. U. meetings will be held in the grove each day during Chautauqua at 10 a. m. instead of 10:30, as announced. The state president, Mrs. Unruh, will lead the meetings.

Baptists Welcome New Pastor.
One of the happy events of the week was the "welcome" reception given in the parlors of the Baptist church, in honor of the new pastor, Rev. Stephen A. Douglass, and family. A splendid program was given in the beautifully decorated Sunday school room. Rev. Harry Chisholm, on behalf of the Ministerial Association, and Dr. Shaw, representing the Baptist church, made short welcome addresses, to which Rev. Douglass gave a fitting response. Readings by Mrs. Walters and Miss Beatrice Miller, a vocal solo by Miss Mamie Holmes and a violin solo by Miss Alene Bomar, contributed greatly to the evening's pleasure. Punch and wafers were served during the evening.

Woman's Missionary Circle Meeting.
The meeting of the Woman's Missionary Circle of the Presbyterian church at the C. B. Lamkin home last Thursday afternoon proved to be one of the most interesting meetings ever held by the circle. The discussion of the topic, "Alaska," brought to light many interesting things concerning the mission work in that country. A splendid description of the life of Sheldon Jackson was given by Mrs. Davis. Mrs. Wallace followed with an excellent account of the two stereopticon lectures on "Alaska" given at the Chautauqua building recently.

After the program a social hour was enjoyed, during which dainty refreshments were served by Mrs. Lamkin. The circle will have no more meetings until September.

Maccabees Enjoy Deputy Commander's Visit.

Last Wednesday Margaret Hive No. 22, Ladies of the Maccabees of the World, enjoyed a splendid visit

from their supreme chaplain and deputy supreme commander, Mrs. Minnie W. Aydelotte, who came to give class instructions in all branches of the work. Mrs. Aydelotte was met at the train by Messdames Virginia Shaw, A. E. Cox and F. G. McWilliams, and was taken in an auto to the home of Mrs. Mattie White, who entertained the four ladies at luncheon. In the afternoon Mrs. Aydelotte presided at a special meeting of the officers, and at a call meeting of the lodge that evening she gave a thorough drill in all branches of the work.

During the enjoyable social hour which followed the business session, combination sherbet, punch and cake were served by the committee in charge, Messdames Mattie White, Jennie Brady, Virginia Shaw, A. E. Cox, W. B. Beebe, Nelson, J. Lilly, Stanley, Hattie Smith and Guy Jacobs.

Mrs. Aydelotte left Thursday evening for Roseburg, where she delivered similar instructions to the Roseburg lodge. The local lodge feels much benefited by her visit.

Delightful "At Home" Given.

The largest social event of last week, with Mrs. E. E. Bagley, Mrs. Clyde Cunningham and Mrs. Floyd Whittle as hostesses, at the commodious home of E. E. Bagley, was a most delightful and enjoyable affair. Nearly 100 invitations were issued and nearly all accepted. A lawn fete had been arranged for, but owing to chilly atmosphere it was desirable to remain indoors. There were La France roses in great profusion throughout the house, pink and white being the color scheme, which was daintily carried out in various ways, including the delicious two-course luncheon that was charmingly served by the hostesses, assisted by Miss Hope Burdick and Dorris Bagley. During the afternoon there was a pleasant diversion in the way of a guessing contest connected with the reading of a little story, "A Cake Romance," affording much merriment. The first honor in the contest fell to Mrs. Emma Jack and the consolation prize to Mrs. J. R. Burnette. Being a huge cannon firecracker, it was considered quite timely. Another pleasure of the hour was given by Miss Doris Bagley in the singing of two beautiful solos. Mrs. S. Sanders accompanied her at the piano. So ended one of the most delightful affairs of many a day.—One of the Guests.

VALUABLE FRUIT RECIPES.

Cherry Soup.

For one quart of soup pit and crush a pint of cherries; add to them the juice of one lemon, sugar to taste, and a dessertspoon of tapioca or sago. Simmer 30 minutes with a pint of water; rub smooth through a sieve and reheat, adding one tablespoon of claret and pinch of salt. Let cool, then place on ice before serving. Reserve a few steamed cherries to put in the iced soup at the last.

Cherry Float.

Thicken the juice from a quart of stewed and sweetened cherries with a teaspoon of cornstarch dissolved in cherry juice (cold) or cold water. Add juice of a lemon or orange and when cooled pour over the cherries, which should be ready in the serving dish.

Cherry Jelly.

Let cherries not fully mature stand in a crock on the back of the stove, or in slow oven till all juice is extracted, then strain, cook down one-third, and measure, allowing one pound of sugar for each pint of juice. Heat separately, then cook together: 20 minutes or until it jells.

Cherry Catsup.

To each pound of cherries allow a pound of sugar, boiling together, then straining. To every quart of liquor allow a teaspoon each of mace, pepper, ginger, cinnamon and a half teaspoon of cloves. Boil these with the syrup; strain and add to the crushed fruit passed through a sieve. Boil till thick and reduce with strong vinegar. Bottle while hot.

NORMAL ALUMNI MEET.

Home of Mr. and Mrs. Roy Walker Scene of Pleasant Reunion.

One of the most enthusiastic and successful reunions of the Southern Oregon Normal School alumni was held last Friday, the 28th inst., at the beautiful home of Mr. and Mrs. Roy Walker on the Boulevard, both host and hostess being graduates of the normal. A delightful program was rendered as follows: Solo, Mrs. Walker; address by president, Mr. Walker; solo, Mr. Walker; reading, Mrs. F. D. Wagner; instrumental solo, Miss Caldwell; addresses by Prof. Van Scoy, Prof. Mulkey and Mrs. King; solo, Miss Foster.

Dainty refreshments were served and 24 guests responded to roll call, almost every class graduating from the school being represented. It is worthy of note the great distances many of the alumni had traveled to be present at this meeting. From Douglas, Alaska, came Susanna Homes, '96; Orta Patrick, '08, Calgary, Canada; Maysie Foster, '96, Portland; Maude Rippey, '08, Klamath Falls; Agnes Storey, '09, Roseburg; Olivia Pohland, '04, Corvallis; Eva Norcross, '08, Central Point; Winifred Spencer, '08, Toledo; B. S. Stancliffe, '06, Phoenix; Gertrude King, '96; Ada Welch, '09; Jessie B. Wilson, '96; Glen Conwell, '09; Miss Fielder and B. F. Mulkey, all of Medford, and Beulah Caldwell, '09; Elizabeth Kaiser, '07; Louise Peruzzi, '09; Flora Walker, '04; G. H. Milam, '03; Walter Herndon, '08; Roy Walker, '04.

After a discussion of the ways and means of reopening of the normal, a committee was appointed by the president and the following resolutions were unanimously adopted:

Whereas, The Oregon State Normal School located at Ashland was discontinued by legislative action in 1910, and

Whereas, The number of trained teachers for the schools of Oregon is decreasing, the ranks when filled coming almost exclusively from other states, and

Whereas, Southern Oregon is particularly suffering from a dearth of normal trained teachers, and

Whereas, The school boards and superintendents of schools are ransacking foreign territory to meet this demand for trained teachers, and

Whereas, There is no higher educational institution nearer the Rogue river valley than 250 miles and no normal school nearer than 300 miles, and

Whereas, Such of our young men and women as seek normal school education are finding it in California and adjoining normal schools, where they become enlisted and are lost to Oregon forever, and

Whereas, The people of southern Oregon gave a majority of 5,000 votes for the southern Oregon institution, and

Whereas, The one normal school now established is pitifully inadequate to perform the duty of supplying teachers for the entire state,

Therefore be it Resolved, That it is the sense of the Alumni Association of the Southern Oregon State Normal School now assembled, that the institution should be reopened by the people, and in the interests of the people of the state.

Be it Resolved, That the splendid normal school property now idle continue to be held in trust by the state of Oregon until that time now fast approaching when through pressure of public necessity this school, which has been established for many years, will be reopened.

Resolved, That it is the determination of this association to place before the people of Oregon by an initiative measure in 1914 an opportunity to vote upon the question of placing the school on a firm footing as a permanent part of the educational system of the state.
